

FOR IMMEDIATE RELEASE:

Team GLOCK Shooting Squad Win at USPSA Area 6

Smyrna, GA (4.24.08) –

The Team GLOCK Shooting Squad added two more titles to their successful 2008 season by winning at the GLOCK sponsored United States Practical Shooting Association Area 6 Championship at the South River Gun Club in Covington, Georgia from April 18 – 20.

Dave Sevigny dominated the Limited – 10 division by winning 11 out of 12 stages with a 243 point margin of victory over second place Matt Griffin. Jessie Abbate won the High Lady title and first B class in Limited Division. She beat the 2005 ISPC World High Lady Petra Tutschke by 57 points.

The Limited Division in USPSA has historically been dominated by single action iron sight guns, but in recent years, Team GLOCK has won several titles using the Safe Action GLOCK pistol in head to head competition with the 1911. Team GLOCK used .40 caliber GLOCK pistols with major power factor ammunition from Atlanta Arms and Ammo. Sevigny ran a GLOCK 35 while Abbate fired GLOCK 24 to win their respective titles.

“Team GLOCK Shooting Squad has dominated their matches this year and we look forward to them taking more titles as we head into the 2nd quarter of the year. We are also excited about their appearance in our booth at the NRA Annual Meetings and Exhibits,” said Director of Marketing Stephanie Plumecocq of GLOCK, Inc.

Dave Sevigny, Jessie Abbate and Randi Rogers of Team GLOCK Shooting Squad will be signing autographs at the National Rifle Association of America Annual Meetings and Exhibits in Louisville, Kentucky on May 16 – 18 at the Kentucky Fair & Exposition Center. They will be located in the GLOCK, Inc. booth #1319. For more information on the NRA Annual Meetings & Exhibits, visit www.nraam.org
